York Region

ASSOCIATE MEDICAL OFFICER OF HEALTH

Location: 17150 Yonge Street, Newmarket, ON (remote work opportunities may apply)

Status: Regular Full-Time

Salary: \$176,488 - \$207,591

POSITION PURPOSE

Reporting to the Medical Officer of Health, the Associate Medical Officer of Health is responsible for the leadership and management of public health programs and services within the Public Health Branch's main Divisions of Child and Family Health, Infectious Diseases Control, Healthy Living, and Health Protection. The AMOH provides evidence-based medical consultation, interprets and communicates directives and implements legislated mandates. The AMOH leads Divisional projects and initiatives, engages with provincial Public Health agencies and other local Public Health units, and builds and nurtures relationships with health care and other sector partners. S/he will act for the Medical Officer of Health (MOH) in their absence, carrying out the legal responsibilities of the office of the MOH as defined in the Health Protection and Promotion Act and in accordance with the policies of the Region.

MAJOR RESPONSIBILITIES

- Directs the delivery of programs and services within the assigned portfolio and in accordance with the Ontario Public Health Standards and the requirements of the Ministry of Health . Portfolios may include:
 - Chronic disease prevention, injury prevention, substance use prevention and workplace wellness, sexually transmitted diseases programs and the provision of clinical services for the sexual health program.
 - Control of infectious diseases, including leading outbreak investigations and infection control, and immunization.
 - Health Protection, environmental health, climate change
 - Child and Family Health and healthy development
 - Health equity
- Directs the preparation, development and distribution of timely, comprehensive reports regarding the health status of Regional residents following the review, analysis and interpretation of available sources of information.
- Provides ongoing overall direction, goal and strategy setting, development of objectives, policies, and procedures and continuous improvement for all of their areas of business.
- Contributes to the development and monitoring of annual capital and/or operating budgets for the Division.
- Ensures quality assurance activities to monitor program effectiveness and support continuous improvement attitudes within the areas of responsibility.
- Oversees the development of procedures, guidelines and templates; develops policies related to the services offered and ensures adherence to the Region's policies, guidelines and bylaws.
- Supervises staff, including recruitment, selection, hiring, assigning work, determining training and development needs, and determining/recommending disciplinary action up to and including dismissal in accordance with collective agreements, Regional policies and practices; ensures adherence to appropriate Regional HR policies and government legislation (i.e. OH&S Act).
- Liaises with internal and external stakeholders including government and non-governmental agencies, hospitals, schools, clinics, physicians, other health practitioners and the public.
- Acts for the Medical Officer of Health and Associate Medical Officer of Health, in that person's absence,
